Furniture & Storage for the Contemporary Office Environment

Furniture & Storage Solutions for the Contemporary Office Environment

At S+B we know creating the right environment is essential in maximizing performance.

The office, your place to think, create, plan, strategise, develop, communicate and get things done.

We understand your desire for an office that's functional, aesthetically pleasing and distinctive.

Create - Plan - Strategise - Develop - Communicate

Designed to Perform

Good design is a lot of things, but first and foremost it entails having a large and relevant selection of finishes and features; versatility in functions; and detailing in construction.

We are proud to be a leader in performance design. Performance based on high quality workmanship and high grade components - a noticeable quality that is also evident in how our products work and look.

At S+B we keep an eye on ensuring that our evolving and growing product lines are easy to integrate across existing ones and meet the requirements of our customers current and future design programs.

The Furniture Range Includes:

- **Reception furniture**
- **Work stations**
- **Storage solutions**
- **Executive / Boardroom furniture**
- **Conference / Meeting tables**
- **Breakout & Training area furniture**

Whether designing and fitting out a single office, a suite of rooms or an entire building, we apply the same high levels of personal service and attention to detail. Office space is too costly to waste. Let us work with you to meet your full office interior needs and objectives, within your budget and timescales.

Intelligent Design

We have structured our offering around what we believe to be the most important factors facing our clients today. In essence our approach offers a process that includes:

- **Space planning**
- **Project management**
- **Interior design**
- **Fitting out**
- **Furniture**
- **Partitioning**
- **Lighting**
- **Floor coverings**
- **Mechanical & electrical works**

Flexibility

We offer flexible professional design services, space planning and ergonomic assessments as well as delivery and installation of our designer office furniture manufactured in our own factory.

Whatever the size of your enterprise, we'll improve your bottom line by making your workspace more efficient, creative and productive.

The S+B office range of furniture is specifically designed and built to help you create the right environment to maximize the efficiency of your work force.

A Turnkey Package

At S+B we work with you to provide the ideas, solution and final outcome completely free of charge and obligation. From initial consultation of designs, including CAD and 3D drawings, allowing you to view the solution before manufacture.

S+B provide the answer - stripping out and removal of old furniture, reinstatement of mechanical and electrical services – supplying and fitment of new flooring, suspended ceilings, lighting, interactive whiteboards, decoration and installation of new furniture.

From a single space to a complete refurbishment, we create design that works.
